

List of Courses for Green Economy

Notes

1. The list below is non-exhaustive.
2. To find out more about the respective courses, please search for the course at : www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-landing.html

S/N	Course Title	Training Provider	Green Economy Areas
1	Work-Study Diploma in Arboriculture & Horticulture	Institute of Technical Education	Food Mfg Agritech
2	MOE Cat A Grow Your Own Greens	Institute of Technical Education	Food Mfg Agritech
3	Certificate of Competency (CoC) in Urban Farming (Compost & Fertiliser)	Institute of Technical Education	Food Mfg Agritech
4	Certificate of Competency (CoC) in Urban Farming (Pest & Diseases)	Institute of Technical Education	Food Mfg Agritech
5	Certificate of Competency (CoC) in Urban Farming (Soil & Planting Techniques)	Institute of Technical Education	Food Mfg Agritech
6	Work-Study Diploma in Agriculture & Aquaculture Technology	Institute of Technical Education	Food Mfg Agritech
7	Higher Nitec in Technology - Electrical Engineering	Institute of Technical Education	Clean Energy
8	Work-Study Diploma in Electrical Engineering	Institute of Technical Education	Clean Energy
9	Solar Photovoltaic Systems module in Higher Nitec in Technology - Electrical Engineering	Institute of Technical Education	Clean Energy
10	Sustainable Energy Systems module in Nitec in Technology - Electrical Technology (Power & Control)	Institute of Technical Education	Clean Energy
11	SkillsFuture Certificate of Competency (CoC) - Solar Photovoltaic (PV) & Standby Generator Supply	Institute of Technical Education	Clean Energy
12	CoC in Hybrid Systems	Institute of Technical Education	Electric Vehicle
13	Work-Study Diploma in Chemical Process Technology	Institute of Technical Education	Environmental Management
14	Nitec in Technology - Built Environment (Mechanical & Electrical Services)	Institute of Technical Education	Green Infrastructure
15	Nitec in Technology - Built Environment (Vertical Transportation)	Institute of Technical Education	Green Infrastructure
16	Work-Study Diploma in Architectural BIM & Design	Institute of Technical Education	Green Infrastructure
17	Work-Study Diploma in Mechanical & Electrical Services Supervision	Institute of Technical Education	Green Infrastructure
18	Work-Study Diploma in Vertical Transportation	Institute of Technical Education	Green Infrastructure
19	Short Course: Air-Conditioning – R32 Safety Awareness Training	Institute of Technical Education	Green Infrastructure
20	CoC in Residential Air-Conditioning System (Refrigerant)	Institute of Technical Education	Green Infrastructure
21	Work-Study Diploma in Facilities Management	Institute of Technical Education	Green Infrastructure
22	Higher Nitec in Services - Architectural Technology	Institute of Technical Education	Green Infrastructure
23	Higher Nitec in Technology - Facility Management	Institute of Technical Education	Green Infrastructure
24	Sustainable AirConditioning and Refrigeration Technology (module offered in Nitec in Technology - Built Environment (Mechanical & Electrical Services)	Institute of Technical Education	Green Infrastructure
25	Work-Study Diploma in Facilities Management	Institute of Technical Education	Green Infrastructure
26	Higher Nitec in Services - Interactive Design	Institute of Technical Education	Smart Tech
27	Higher Nitec in Technology - Security Systems Integration	Institute of Technical Education	Smart Tech
28	Nitec in Technology - Security Technology	Institute of Technical Education	Smart Tech
29	Nitec in Technology - Mechanical Technology	Institute of Technical Education	Smart Tech

List of Courses for Green Economy

30	Work-Study Diploma in Microelectronics	Institute of Technical Education	Smart Tech
31	Work-Study Diploma in Security Systems Engineering	Institute of Technical Education	Smart Tech
32	Work-Study Diploma in IoT & Data Engineering	Institute of Technical Education	Smart Tech
33	CoC in Introduction to Digital Technology in Environmental Services	Institute of Technical Education	Smart Tech
34	Work-Study Diploma in Logistics & Supply Chain Management	Institute of Technical Education	Sustainable Supply Chain
35	Circular Design and Business Modelling Masterclass	Nanyang Polytechnic	Circular Economy
36	Overview of Sustainable & Renewable Energy Technologies for a Smart City	Nanyang Polytechnic	Clean Energy
37	Specialist Diploma In Energy And Environmental Management For Process Industry	Nanyang Polytechnic	Clean Energy
38	Post-Diploma in Energy Management in Energy Management for Process Industry (part of Specialist Diploma in Energy and Environmental Management for Process Industry)	Nanyang Polytechnic	Clean Energy
39	Process Equipment Energy Efficiency	Nanyang Polytechnic	Clean Energy
40	Electric Vehicle & Charging System	Nanyang Polytechnic	Electric Vehicle
41	Post-Diploma Certificate in Environmental, Health & Safety Management (part of Specialist Diploma in Environmental Management & Applied Water Technology)	Nanyang Polytechnic	Environmental Management
42	Post-Diploma Certificate in Environmental Management for Process Industry (part of Specialist Diploma in Energy and Environmental Management for Process Industry)	Nanyang Polytechnic	Environmental Management
43	Future of Connected Homes and Devices	Nanyang Polytechnic	Green Infrastructure
44	BIM Revit for Architecture - Level 1	Nanyang Polytechnic	Green Infrastructure
45	BIM Revit for Architecture - Level 2	Nanyang Polytechnic	Green Infrastructure
46	Realising Design & Technology with Graphical Design Tools for Smart Home	Nanyang Polytechnic	Green Infrastructure
47	Accelerating Deploying and Scaling AI Applications	Nanyang Polytechnic	Smart Tech
48	Rapid Embedded Systems - Design and Programming	Nanyang Polytechnic	Smart Tech
49	IoT in Manufacturing	Nanyang Polytechnic	Smart Tech
50	Embedded System Development	Nanyang Polytechnic	Smart Tech
51	IoT Edge Devices and Applications	Nanyang Polytechnic	Smart Tech
52	Understanding IoT Analytics	Nanyang Polytechnic	Smart Tech
53	Getting Started with Microcontroller Programming	Nanyang Polytechnic	Smart Tech
54	Analytics for IoT with Data Visualization	Nanyang Polytechnic	Smart Tech
55	Introduction to Deep Learning	Nanyang Polytechnic	Smart Tech
56	Introduction to Machine Learning	Nanyang Polytechnic	Smart Tech
57	Introduction to Machine Vision	Nanyang Polytechnic	Smart Tech
58	Smart IoT with Data Analytics	Nanyang Polytechnic	Smart Tech
59	Smart IoT Technology and Application	Nanyang Polytechnic	Smart Tech
60	Understanding of Internet of Things (IoT)	Nanyang Polytechnic	Smart Tech
61	C# programming for Machine Vision	Nanyang Polytechnic	Smart Tech
62	C/C++ programming for Machine Vision	Nanyang Polytechnic	Smart Tech

List of Courses for Green Economy

63	Machine Vision-Application Development	Nanyang Polytechnic	Smart Tech
64	Fundamentals of Image Processing & Computer Vision	Nanyang Polytechnic	Smart Tech
65	Programmable Logic Controller Programming	Nanyang Polytechnic	Smart Tech
66	Smart IoT Basics	Nanyang Polytechnic	Smart Tech
67	Smart IoT Network Infrastructure	Nanyang Polytechnic	Smart Tech
68	IoT Device Security	Nanyang Polytechnic	Smart Tech
69	Accelerating Big Data Analytics and AI using Spark and RAPIDS with Graphics Processing Unit (GPU)	Nanyang Polytechnic	Smart Tech
70	Accelerating Development of Large-scale Artificial Intelligence (AI) Applications	Nanyang Polytechnic	Smart Tech
71	Accelerating Deploying and Scaling Artificial Intelligence (AI) Applications	Nanyang Polytechnic	Smart Tech
72	Smart Object and Sensor Technology	Nanyang Polytechnic	Smart Tech
73	Deep Dive into 3D Printing	Nanyang Polytechnic	Smart Tech
74	Digital Manufacturing: 3D Printing Applications	Nanyang Polytechnic	Smart Tech
75	Introduction to Automation System Design for Product Development & Manufacturing Process	Nanyang Polytechnic	Smart Tech
76	Introduction to Air & Water Pollution Control Analytics	Nanyang Polytechnic	Water Resource
77	SGUS Programme in Environmental Management & Water Technology	Nanyang Polytechnic	Water Resource
78	Specialist Diploma In Environmental Management & Applied Water Technology	Nanyang Polytechnic	Water Resource
79	Work-Study Post-Diploma (Specialist Diploma in Environmental Management & Applied Water Technology)	Nanyang Polytechnic	Water Resource
80	Post-Diploma Certificate in Applied Water Technology (part of Specialist Diploma in Environmental Management & Applied Water Technology)	Nanyang Polytechnic	Water Resource
81	The Economics of Supply Management in the Sharing Economy	Nanyang Polytechnic	Sustainable Supply Chain
82	EM9105 Energy Resources Management	Nanyang Technological University	Clean Energy
83	Waste Heat & Waste Cold Energy Recovery and Utilization	Nanyang Technological University	Clean Energy
84	Offshore Wind Value Chain and Turbine Technology (Part 1)	Nanyang Technological University	Clean Energy
85	Offshore Wind Value Chain and Turbine Technology (Part 2)	Nanyang Technological University	Clean Energy
86	Perspectives on Power Industry Transformation	Nanyang Technological University	Clean Energy
87	Battery Electric Vehicle (BEV) - Part 1	Nanyang Technological University	Electric Vehicle
88	Battery Electric Vehicle (BEV) - Part 2	Nanyang Technological University	Electric Vehicle
89	Strategy, Risk Management and Design for Sustainability	Nanyang Technological University	ESG Compliance Reporting
90	Finance, Marketing and Reporting for Sustainability	Nanyang Technological University	ESG Compliance Reporting
91	Principles and Fundamentals of Asset and Facilities Management	Nanyang Technological University	Green Infrastructure
92	MA4811 Psychrometry & Air Conditioning	Nanyang Technological University	Green Infrastructure
93	Managing a Smart City with Business Intelligence	Nanyang Technological University	Green Infrastructure
94	Contemporary Finance: Fintech and Sustainable Finance (Classroom and Asynchronous e-learning)	Nanyang Technological University	Sustainable Finance
95	Certificate Programme in Sustainable Finance	Nanyang Technological University	Sustainable Finance

List of Courses for Green Economy

96	Master of Science in Energy Systems	National University of Singapore	Clean Energy
97	Climate Change and Sustainability: Leveraging Carbon Market Initiatives for Business	National University of Singapore	Carbon Services & Trading
98	Master of Science in Sustainable and Green Finance	National University of Singapore	Sustainable Finance
99	Sustainable Urban Food System	National University of Singapore	Food Mfg Agritech
100	Urban Agriculture and Crop Biotechnology	National University of Singapore	Food Mfg Agritech
101	Master of Science in Food Science and Human Nutrition	National University of Singapore	Food Mfg Agritech
102	Renewable energy sources	National University of Singapore	Clean Energy
103	Deep Decarbonisation : Principles and Analysis Tools	National University of Singapore	Clean Energy
104	Introduction of New Energy Trends: From Carbon Capture to Hydrogen Economy	National University of Singapore	Clean Energy
105	Energy Storage for Green Technologies	National University of Singapore	Clean Energy
106	Understanding Energy Systems for Decarbonisation	National University of Singapore	Clean Energy
107	Energy Management	National University of Singapore	Clean Energy
108	Electrical Power Engineering Programme for All Engineers (Synchronous e-learning)	National University of Singapore	Clean Energy
109	Building blocks of Smart grids	National University of Singapore	Clean Energy
110	Renewable energy integration and grid codes	National University of Singapore	Clean Energy
111	Solar Energy Systems for Built Environment Professionals (Synchronous e-learning)	National University of Singapore	Clean Energy
112	Energy Arbitration	National University of Singapore	Clean Energy
113	Energy Storage Systems for Grid Applications	National University of Singapore	Clean Energy
114	Grid Connected Inverters and Grid Codes for Solar PV and Wind Energy	National University of Singapore	Clean Energy
115	Decision Making in Energy Systems Projects	National University of Singapore	Clean Energy
116	Hydraulics and Water Resources Engineering Course (Classroom, Synchronous & Asynchronous)	National University of Singapore	Water Resource
117	Freshwater Conservation	National University of Singapore	Water Resource
118	Water Quality Management	National University of Singapore	Water Resource
119	Practical Applications of Hydraulics and Hydrology for Flood Routing and Earthfill Dam Safety Problems	National University of Singapore	Water Resource
120	Principles and Applications of Risk Management	National University of Singapore	Environmental Management
121	Climate Change and Managing Uncertainty	National University of Singapore	ESG Compliance Reporting
122	Environmental Chemistry for A-level Chemistry Teachers	National University of Singapore	Environmental Management
123	Sustainability – The Next Challenge	National University of Singapore	ESG Compliance Reporting
124	Master of Science in Environmental Engineering	National University of Singapore	Environmental Management
125	Master of Science in Safety, Health and Environmental Technology	National University of Singapore	Environmental Management
126	Master of Science in Biodiversity Conservation and Nature-Based Climate Solutions	National University of Singapore	Environmental Management
127	Master of Science in Environmental Management	National University of Singapore	Environmental Management
128	Biological Invasions	National University of Singapore	Environmental Management

List of Courses for Green Economy

129	Energy and Environment for Chemistry Teachers	National University of Singapore	Environmental Management
130	BIZ-SB Sustainability for Business (stop funding from 20 Oct 2019)	National University of Singapore	ESG Compliance Reporting
131	Climate Change for Organisation Management (Classroom & Asynchronous)	National University of Singapore	ESG Compliance Reporting
132	Corporate Social Responsibility	National University of Singapore	ESG Compliance Reporting
133	Conservation Governance and Climate Solutions	National University of Singapore	ESG Compliance Reporting
134	Urban Planning	National University of Singapore	Green Infrastructure
135	Harness the Power of 5G - Design for Maintainability	National University of Singapore	Green Infrastructure
136	Green Construction Projects: Management Strategies and Innovations (Synchronous e-learning)	National University of Singapore	Green Infrastructure
137	Executive Course for Project Management	National University of Singapore	Green Infrastructure
138	Master of Science in Building Performance and Sustainability	National University of Singapore	Green Infrastructure
139	Master of Science in Integrated Sustainable Design	National University of Singapore	Green Infrastructure
140	Data Science for 5G (Classroom & Asynchronous)	National University of Singapore	Green Infrastructure
141	Master of Science in Applied Geographic Information Systems	National University of Singapore	Smart Tech
142	IoT Sensor Networks	National University of Singapore	Smart Tech
143	Analytics in Industry 4.0	National University of Singapore	Smart Tech
144	Smart Sensing Technology	National University of Singapore	Smart Tech
145	Social and Sustainable Investing	National University of Singapore	Sustainable Finance
146	FinTech Strategy in Green Finance	National University of Singapore	Sustainable Finance
147	Green Finance Using Machine Learning and Alternative Data	National University of Singapore	Sustainable Finance
148	Climate Change for Leaders: Risks, Opportunities and Sustainable Finance	National University of Singapore	Sustainable Finance
149	Specialist Diploma in Agritechology and Agribusiness	Ngee Ann Polytechnic	Food Mfg Agritech
150	Circularity for the Built Environment	Ngee Ann Polytechnic	Circular Economy
151	Introduction to Eco-Clean Marine Energy (Synchronous e-learning)	Ngee Ann Polytechnic	Clean Energy
152	Solar Photovoltaic (PV) Technology	Ngee Ann Polytechnic	Clean Energy
153	Specialist Diploma in Solar Photovoltaic (PV) Engineering and Monitoring	Ngee Ann Polytechnic	Clean Energy
154	Automotive Hybrid Technology – Principles, Service and Diagnosis	Ngee Ann Polytechnic	Electric Vehicle
155	Electric Vehicle Powertrain	Ngee Ann Polytechnic	Electric Vehicle
156	Electric Vehicle Control and Diagnosis	Ngee Ann Polytechnic	Electric Vehicle
157	Electrical Fundamentals for Electric Vehicles	Ngee Ann Polytechnic	Electric Vehicle
158	Understanding of Electric Vehicles (Synchronous e-learning)	Ngee Ann Polytechnic	Electric Vehicle
159	SDAS Cert 1 module: Environmental Testing	Ngee Ann Polytechnic	Environmental Management
160	Management Accounting for ESG	Ngee Ann Polytechnic	ESG Compliance Reporting
161	Introduction to Building Information Modelling (BIM) for Facilities Management	Ngee Ann Polytechnic	Green Infrastructure
162	Smart Building Operations and the Internet of Things	Ngee Ann Polytechnic	Green Infrastructure
163	DCFM2 Cert 1 module : Smart and Green Infrastructure Technologies	Ngee Ann Polytechnic	Green Infrastructure
164	SDSF1 Cert 2 module : Green Infrastructure Management	Ngee Ann Polytechnic	Green Infrastructure
165	DECS Cert 2 module : Sustainable Construction & Design	Ngee Ann Polytechnic	Green Infrastructure

List of Courses for Green Economy

166	DECS Cert 5 module : Design for Manufacturing and Assembly	Ngee Ann Polytechnic	Green Infrastructure
167	Building Maintenance Technology	Ngee Ann Polytechnic	Green Infrastructure
168	Understanding HDB New Town Planning	Ngee Ann Polytechnic	Green Infrastructure
169	Smart Chilled Water Pumping System - Designing for Maximum Energy Savings	Ngee Ann Polytechnic	Green Infrastructure
170	Water Quality Monitoring and Assessment	Ngee Ann Polytechnic	Water Resource
171	Green & Sustainability Financing	Ngee Ann Polytechnic	Sustainable Finance
172	Introduction to Green Financing in Real Estate	Ngee Ann Polytechnic	Sustainable Finance
173	Impact of Sustainable Logistics on International Trade and Businesses	Ngee Ann Polytechnic	Sustainable Supply Chain
174	Sustainable and Eco Tourism	Ngee Ann Polytechnic	Sustainable Tourism/MICE/Hospitality
175	Agriculture 101	Republic Polytechnic	Food Mfg Agritech
176	Sustainable Mushroom Cultivation 101	Republic Polytechnic	Food Mfg Agritech
177	SGUnited Skills Programme in Urban Agricultural Technology	Republic Polytechnic	Food Mfg Agritech
178	Sustainable Agriculture : Clean and Green Standard for Urban Farms	Republic Polytechnic	Food Mfg Agritech
179	JPFA-RP Masterclass for Plant Factories with Artificial Lighting	Republic Polytechnic	Food Mfg Agritech
180	Agri-Food Tech for Start-Ups (Synchronous & Asynchronous e-Learning)	Republic Polytechnic	Food Mfg Agritech
181	Career Conversion Programme for Agritech Operator	Republic Polytechnic	Food Mfg Agritech
182	Career Conversion Programme for Agritech Specialist	Republic Polytechnic	Food Mfg Agritech
183	Diploma in Applied Science (Urban Agricultural Technology)	Republic Polytechnic	Food Mfg Agritech
184	WSCert leading to Diploma in Applied Science (Urban Agricultural Technology)	Republic Polytechnic	Food Mfg Agritech
185	Solar Power 101	Republic Polytechnic	Clean Energy
186	Sustainability 101	Republic Polytechnic	ESG Compliance Reporting
187	goEco Ambassador	Republic Polytechnic	ESG Compliance Reporting
188	Eco Ambassador Starter (Synchronous eLearning)	Republic Polytechnic	ESG Compliance Reporting
189	Communication Strategy for Sustainability	Republic Polytechnic	ESG Compliance Reporting
190	Business and Sustainability (Classroom & Asynchronous e-Learning)	Republic Polytechnic	ESG Compliance Reporting
191	ESG Reporting & Disclosure	Republic Polytechnic	ESG Compliance Reporting
192	Carbon Economy and Reporting	Republic Polytechnic	Carbon Services & Trading
193	Specialist Diploma in Sustainability	Republic Polytechnic	ESG Compliance Reporting
194	Strategies to Improve Indoor Air Quality (IAQ) for Air-conditioned and Naturally Ventilated Places	Republic Polytechnic	Green Infrastructure
195	Energy and Indoor Air Quality Assessment for Buildings with Central Air-conditioning System	Republic Polytechnic	Green Infrastructure
196	Energy Audit - Indoor Air Quality and Air-conditioning Efficiency	Republic Polytechnic	Green Infrastructure
197	Green Supply Chain Management	Republic Polytechnic	Sustainable Supply Chain
198	Green Marketing	Republic Polytechnic	Sustainable Tourism/MICE/Hospitality
199	Green Events	Republic Polytechnic	Sustainable Tourism/MICE/Hospitality
200	Design Thinking in Hospitality (Environment and Sustainability)	Republic Polytechnic	Sustainable Tourism/MICE/Hospitality
201	High Moisture Extrusion Technology for Meat Analogues	Singapore Institute of Technology	Food Mfg Agritech

List of Courses for Green Economy

202	Food and Feed Extrusion Technology	Singapore Institute of Technology	Food Mfg Agritech
203	Food and Feed Drying Technology	Singapore Institute of Technology	Food Mfg Agritech
204	EEE6008 Condition Monitoring in Power Engineering (Classroom & Synchronous)	Singapore Institute of Technology	Food Mfg Agritech
205	Urban Farming Systems and Solutions	Singapore Institute of Technology	Food Mfg Agritech
206	EEE6006 Smart Grids and Cyber Security (Synchronous e-learning)	Singapore Institute of Technology	Clean Energy
207	EEE6009 Energy Resources, Markets and Economics (Synchronous e-learning)	Singapore Institute of Technology	Clean Energy
208	Electrical Installations Audit and Analysis	Singapore Institute of Technology	Clean Energy
209	Managing Energy Efficiency for Water and Wastewater Treatment Plants	Singapore Institute of Technology	Water Resource
210	DSI6304 Sustainable Innovation	Singapore Institute of Technology	ESG Compliance Reporting
211	Optimising your Return on Assets through Enterprise Asset Lifecycle Management	Singapore Institute of Technology	Environmental Management
212	An Introduction to Sustainability	Singapore Institute of Technology	ESG Compliance Reporting
213	CHE6019 Waste to Energy Technologies	Singapore Institute of Technology	Environmental Management
214	Pump and Piping Network: Energy Efficient Design, Audit and Analysis	Singapore Institute of Technology	Green Infrastructure
215	HVAC Audit and Analysis	Singapore Institute of Technology	Green Infrastructure
216	Lighting Systems Energy Efficient Design : Audit and Analysis	Singapore Institute of Technology	Green Infrastructure
217	Motor Driven Systems, Audit and Analysis	Singapore Institute of Technology	Green Infrastructure
218	EEE6003 Electrification for Transportation and Built Environment (Synchronous e-learning)	Singapore Institute of Technology	Green Infrastructure
219	SIE2013 Sustainable Building Engineering	Singapore Institute of Technology	Green Infrastructure
220	SIE2017 Heating, Ventilation and Air-Conditioning (HVAC) I	Singapore Institute of Technology	Green Infrastructure
221	SIE3018 Heating, Ventilation and Air-Conditioning (HVAC) II	Singapore Institute of Technology	Green Infrastructure
222	Understanding HVAC System in a Systematic Way	Singapore Institute of Technology	Green Infrastructure
223	SIE6017 Indoor Environmental Quality Engineering	Singapore Institute of Technology	Green Infrastructure
224	CVE6003 Design of Tall Buildings	Singapore Institute of Technology	Green Infrastructure
225	Module 2: Environmental & Carbon Management For A Sustainable Economy (Synchronous E-Learning)	Singapore Management University	ESG Compliance Reporting
226	Module 3: Sustainable Supply Chain and the Circular Economy (Synchronous E-Learning)	Singapore Management University	ESG Compliance Reporting
227	Module 4: Governance, Labour, Human Rights Management and Business Integrity (Synchronous E-Learning)	Singapore Management University	ESG Compliance Reporting
228	Scaling Up Action to Address Biodiversity Loss on a Sector, Economic and Global Level	Singapore Management University	Environmental Management
229	Managing Biodiversity Risks: Applying Net Positive and Mitigation Hierarchy to Impactful Development Projects (Synchronous E-Learning)	Singapore Management University	Environmental Management
230	Through the lens of World Wildlife Fund (WWF): Biodiversity Conservation (Synchronous E-Learning)	Singapore Management University	ESG Compliance Reporting

List of Courses for Green Economy

231	Transforming Small and Medium Enterprises: Strategic Sustainable Development	Singapore Management University	ESG Compliance Reporting
232	Module 6: Sustainability Reporting And Strategic Communication (Synchronous E-Learning)	Singapore Management University	ESG Compliance Reporting
233	Environment, Social and Governance (ESG) and Materiality Reporting	Singapore Management University	ESG Compliance Reporting
234	Addressing Biodiversity in Decision-Making	Singapore Management University	ESG Compliance Reporting
235	Trillion Dollar Question of Generational Wealth Transfer: The Alignment of Sustainable Investments NowGen and NextGen	Singapore Management University	ESG Compliance Reporting
236	Module 1: Introduction to Sustainability and Strategic Community Investment	Singapore Management University	Sustainable Finance
237	Module 5: Sustainable Finance And Impact Investing (Synchronous E-Learning)	Singapore Management University	Sustainable Finance
238	Businesses and Climate Action	Singapore Management University	Sustainable Finance
239	Biodiversity Metric: Facilitating the Integration of Biodiversity Criteria into Investment Decision Making (Synchronous E-Learning)	Singapore Management University	Sustainable Finance
240	Green and Sustainable Finance 101	Singapore Management University	Sustainable Finance
241	Energy Efficiency Assessment & Monitoring	Singapore Polytechnic	Clean Energy
242	Foundational Workshop on Energy Efficiency	Singapore Polytechnic	Clean Energy
243	Building a Smart Urban Farm	Singapore Polytechnic	Food Mfg Agritech
244	Sustainable Food Manufacturing	Singapore Polytechnic	Food Mfg Agritech
245	Environmental Sustainability and Materials	Singapore Polytechnic	Food Mfg Agritech
246	The Circular Economy of Plastics	Singapore Polytechnic	Food Mfg Agritech
247	Solar Photovoltaic (PV) System Know-how & Technologies (PCP for Clean and Renewable Energy Professionals)	Singapore Polytechnic	Clean Energy
248	Batteries and Fuel Cells Technology (PCP for Clean and Renewable Energy Professionals)	Singapore Polytechnic	Clean Energy
249	Energy Measurement & Audit (PCP for Clean and Renewable Energy Professionals)	Singapore Polytechnic	Clean Energy
250	Solar Photovoltaic(PV) System Planning, Design and Installation	Singapore Polytechnic	Clean Energy
251	Solar Photovoltaic (PV) System Know-how	Singapore Polytechnic	Clean Energy
252	Solar Photovoltaic (PV) Systems	Singapore Polytechnic	Clean Energy
253	Specialist Diploma in Energy Efficiency And Management	Singapore Polytechnic	Clean Energy
254	LNG Bunkering Course – Management and Operational Level	Singapore Polytechnic	Clean Energy
255	Electric Vehicle 101	Singapore Polytechnic	Electric Vehicle
256	Fundamentals of Electric Vehicles	Singapore Polytechnic	Electric Vehicle
257	Sustainable Development & Solutions (PCP for Clean and Renewal Energy Professionals)	Singapore Polytechnic	Environmental Management
258	Establish Environmental Management System V.2	Singapore Polytechnic	Environmental Management
259	Environmental Control Officers (Specified Premises)	Singapore Polytechnic	Environmental Management
260	Environmental Control Officers (Specified Construction Sites)	Singapore Polytechnic	Environmental Management

List of Courses for Green Economy

261	Environmental Sustainability	Singapore Polytechnic	Environmental Management
262	Risk and Environment Management for Chemical Technicians	Singapore Polytechnic	Environmental Management
263	Sample Management	Singapore Polytechnic	Environmental Management
264	STAR for Green Solution Technology and Workplace Safety	Singapore Polytechnic	Environmental Management
265	Environment, Social and Governance (ESG) Reporting and Compliance	Singapore Polytechnic	ESG Compliance Reporting
266	Carbon Management and Green House Gas (GHG) Reporting	Singapore Polytechnic	Carbon Services & Trading
267	Sustainable Building Materials Carbon Footprint Management	Singapore Polytechnic	Green Infrastructure
268	Air-Conditioning and Mechanical Ventilation (ACMV) Systems (PCP for Clean and Renewable Energy Professionals)	Singapore Polytechnic	Green Infrastructure
269	Specialist Diploma in Air-Conditioning & Energy Sustainability	Singapore Polytechnic	Green Infrastructure
270	Water Efficiency Manager	Singapore Polytechnic	Water Resource
271	Management of Energy Efficient Operation of Ship Course	Singapore Polytechnic	Sustainable Maritime
272	Management, Energy Efficient Operation of Ship Course (Synchronous e-learning) (CCP for Sea Transport)	Singapore Polytechnic	Sustainable Maritime
273	Marine Vessel Electrification	Singapore Polytechnic	Sustainable Maritime
274	Carbon Management – A Systematic Approach to Manage Greenhouse Gas Emissions	Singapore University of Social Sciences	ESG Compliance Reporting
275	Sustainability Reporting - Global Frameworks and Implementation Roadmap	Singapore University of Social Sciences	ESG Compliance Reporting
276	Corporate Governance for a Sustainable Future	Singapore University of Social Sciences	ESG Compliance Reporting
277	Low Energy and Energy Efficient Buildings	Singapore University of Social Sciences	Green Infrastructure
278	Net Zero Carbon for C-suites	Singapore University of Technology and	ESG Compliance Reporting
279	Grid-connect Solar Photovoltaic System with Battery Storage	Temasek Polytechnic	Clean Energy
280	Energy Storage Systems	Temasek Polytechnic	Clean Energy
281	Specialist Diploma in Sustainability and Energy Management	Temasek Polytechnic	Environmental Management
282	Specialist Diploma in Environmental Technology and Energy Sustainability	Temasek Polytechnic	Environmental Management
283	Greenhouse Gas Emission, Carbon Tax and Energy Efficiency	Temasek Polytechnic	Carbon Services & Trading
284	Fundamentals of Chiller & Cooling Tower Systems for Facility Management	Temasek Polytechnic	Green Infrastructure
285	Specialist Diploma in Smart Facility Management	Temasek Polytechnic	Green Infrastructure
286	IESVE Building Energy Modelling and Simulation	Temasek Polytechnic	Green Infrastructure
287	Initiating Environment Sustainability in Corporates (TP)	Temasek Polytechnic	ESG Compliance Reporting
288	Up-Skill in Urban Solutions	Temasek Polytechnic	Green Infrastructure
289	Up-Skill in Building Systems, Performance & Sustainable Design	Temasek Polytechnic	Green Infrastructure
290	MLC Sustainability Design Suite Courses (TP)	Temasek Polytechnic	Green Infrastructure
291	Specialist Diploma in Environment and Water Technology	Temasek Polytechnic	Water Resource
292	Up-Skill in Urban Solutions	Temasek Polytechnic	Water Resource
